Volunteers Judges Needed – Holy Cross Science Fair April 16 & Bison Science Fair April 17

Hello SBDHS students,

Holy Cross School hosts a couple of science fairs in April and would appreciate having SBDHS students volunteer as judges for each of them. The Science Fairs run on April 16 (Holy Cross Science Fair) and April 17 (Bison Regional Science Fair). If either one of these fairs interest you to be a volunteer judge please come to the office where a volunteer sheet will be placed to sign up until the end of day Wednesday March 20. Each student will only be allowed to sign up for one event to ensure you are not absent for too many classes. The science fairs generally run in the morning and may take you out of couple of your classes depending on your schedule. Additionally, you will only be able to attend as a judge if it does conflict with any scheduled tests/quizzes and you are currently up-to date on your assignments. Please see your teachers to confirm your academic standing.
