### **DRIVER'S EDUCATION – IN-PERSON COURSES AVAILABLE FOR SBDHS STUDENTS**

Students interested in having driver's education courses hosted in our school should put their name down at the office. Driver Z hopes we can have at least 16 students enrolled for us to host an in-person course. If necessary, we can open this up for other students in the area to ensure we meet those numbers, assuming our own students registered would like to learn in-person as opposed to online. Courses in the winter (Jan-Mar) and spring (Apr-June) may run at our school if there is a demand for them. Once again, please ensure to leave your name at the office stating which in-person session you would be interested in joining.
