*****PAINT SCRATCHING IN THE GIRLS' WASHROOM STALLS*****

The girls' washroom stalls were painted in the summer. Students have been vandalizing the stalls by scratching off the paint. This creates unnecessary work, costs, and does not respect the shared space of all. The stalls have been repainted. If the vandalizing occurs again, the following will occur:

1. The girls' washroom will be locked.
2. To use the washroom, you will need to ask for the key from the general office.
3. This will create an inconvenience for all.

Just like a centurion, let us all do our part, hold each other accountable, and keep our shared spaces clean, tidy, and proper.

ATHLETICS

Our Varsity teams were in action last night with their last home games of the season! The girls came out strong against second place Faith Academy, and lost a tight first set. They struggled with passing in the next 2 to lose the match, but still put in a good effort! The boys followed against Immanuel Christian and after dropping the first set they stormed back to take the set 25-23! In the end they lost their final match of the season but could leave knowing they finished off with the heads held high! Thanks again to all of our Almost Graduates!

Good luck to our Varsity Girls who finish off their season in the scary back roads of West St. Paul as they visit The Kings School!

Tomorrow is the last day to get your forms and money in for the Ski Trip - we have 37 very excited students who are looking for 15 more friends to sign up so that the trip won't be cancelled!
