SUSTAINABILITY CLUB**UPDATED**

Fast Fashion is killing our planet. That is the quick and cheap production of clothes for large companies to make a quick profit. One such company is Fashion Nova. They are notorious for making cheap cheap clothes, which use up millions of liters of fresh water, produce toxic waste, and release high levels of CO2 into our atmosphere. Not to mention they operate like a sweatshop and pay illegally low wages to their workers!

We can help change that by shopping at thrift and second hand stores. These reuse the clothes already made, and in a small way reduce the demand on new clothes, whose production continue to harm our planet. **SO START LOOKING THROUGH YOUR CLOSET! SBDHS SUSTAINABILITY CLUB WILL BE HAVING A THRIFT STORE FROM MARCH 6th TO MARCH 10th!**

LOCAL BUSINESS

Hello St. B! Pop 'N' Lock will be selling some lunch time favourites on Wednesday this week in the cafeteria.

ATHLETICS

It was an exciting night of basketball action as all 3 of our teams took to the floor. **The JV Girls** showed a good effort against Linden, but too many turnovers resulted in a tough loss. Former Miss Transcona, Sophia, led our team and was perfect from the free throw line!

The JV Boys cruised to another victory over Immanuel Christian and are now tied for first place with Linden! A good showing this weekend in the Calvin Christian tournament could result in the boys cracking the Top Ten rankings!

The Varsity Boys had a back and forth battle against Immanuel with some great fan support! Our team fell behind by 8 but some great drives from Mr. Jumps, Elijah, and tough D from Mean Jean helped them tie the game up! In the end it wasn't enough as 6 3's from Immanuel and poor free throw shooting resulted in a 60-52 defeat! Despite the loss it was a great team effort!

We had a lot of loud fans last night, but there can only be one Fan of the Game - **"Juan Junior" Cheska!**

Good luck to our **Varsity Boys** who are at Gray Academy tomorrow at 415. All players will be dismissed at 245.
